Amazon.com: Clinical Aspects of Sleep Disorders: Proceedings of a Symposium (9789995673178): James K. Walsh, Amy D. Bertelson, Paula K. Schweitzer: Books In children, obstructive sleep apnea can adversely affect both cognitive performance and physical development. This symposium will bring together internationally recognized speakers from different medical and dental specialties, to “connect the dots” between the physiological, clinical, and treatment aspects of OSA in children and adults. Journal of Human Hypertension is exclusively concerned with all clinical aspects of human hypertension. The journal publishes fully refereed original research papers from around the world.
