

# Higher Education Publication

**Higher Education Publication** - For thirty-seven years Higher Education Publications, Inc. has offered Authoritative, Timely, and Accurate higher education industry-based information in the form of our Higher Education Directory ®. The NEA Higher Education Advocate, published five times a year, provides NEA members with news and trends in higher education. Its "Thriving in Academe" section, jointly produced by NEA and the Professional and Organizational Development Network (POD) provides advice on pedagogical issues. Thirteen scholars say they'll cut ties with the university's ethnicity, race, and migration program, which they say has been stifled by a lack of resources and stature, despite a \$50-million ...
